

Timber Talkers, Toastmasters International, Board Meeting  
July 13, 2010

In attendance: Tom, Marc, Stephen, Eric, Rebecca, Karen

Meeting started around 1:15.

Eric had a prototype folder to show us that we could give to guests and new members. It has info on the roles for each meeting, a sample Toastmaster magazine and a couple of other info sheets. It was suggested that we also include a marketing sheet, i.e., what people can get out of Toastmasters and a link to the website as well as Officers contact info.

Stephen asked about the mentor program. It was suggested that we ask Ryan if he would like to head up that program.

Karen brought up the idea of having a short orientation for new members after a regular meeting to help them navigate their speaking and leadership manuals.

Marc has ideas on how to improve the club that will be discussed at the next Officers meeting in August.

Tom has been in contact with Leissa about how to get the Toastmaster and speakers informed of their roles earlier.

Rebecca asked if we had a budget for bringing bottled water to meetings. We also talked about giving actual awards such as ribbons for winning Table Topics.

Meeting adjourned at 1:35.

Recordist,  
Karen
