

# Timber Talkers, Toastmasters International, Board Meeting

February 3rd, 2010

In attendance: Leissa Geibert, Ryan Tracy, Stephen Hemminger, Deanna Brannian, Eric Winger, Tom Cronkrite, John Goalby

The meeting began at 1:16 pm, which is the exact same time as the January meeting started.

Leissa reported that this meeting has no formal agenda, with just a few items to talk about.

Timber Talkers needs to contribute \$50 for both the fall and spring speech contests.

The next speech contest will be the International Speech Contest on March 9th, 2010. The Evaluation contest will be on March 16th, 2010.

A mention was made that there have been some problems with the email sign-up link. This is the email where members can enter their requests for the next month's meeting.

Deanna reported that we have earned our President's Distinguished Club award. The officer training meeting held earlier in the day was the final requirement.

Deanna asked if we need a Nomination Committee? It was answered that the past president usually handles nominations.

It was asked if we should allow for multiple position nominations? It was generally agreed that it is hoped that this is not needed.

John had nothing to report.

Eric was asked for the first time if he had anything to report. He graciously acknowledged the acknowledgment, then reported he had nothing to report.

Ryan reported that we have more new members joining up. Some Competent Leader books are needed and Leissa will order.

Stephen had nothing to report.

Tom deftly avoided giving our bank account balance and reported that the club is doing fine. He asked if we would like to sponsor someone for the district events that are upcoming. That will be decided at a later meeting.

The meeting adjourned at 1:36 pm.
