

Timber Talkers, Toastmasters International Board Meeting
May 24, 2011

In attendance: Tom, Marc, Eric, Stephen, Karen

Meeting started at 1:15 PM.

Officer's Reports

Tom – Update on Officer's Election scheduled for June 7, 2011. We have 5-6 people who have expressed an interest in serving on the board. There are still people to be contacted who might be interested.

Eric – Membership

At the June 2011 TLI meeting, Eric will speak about the success Timber Talkers has had in recruiting and retaining members. He will solicit input from our current membership on their experiences as guests and as members. He will also highlight what Timber Talkers offers in the way of having fun, making connections and share that with other clubs at TLI.

Marc – PR

Mark meets with people who want mentoring from 11:30 – noon before regular Timber Talkers meetings. He asks those coming in for a mentoring session to prepare questions ahead of time. He said he has gotten positive feedback.

Karen – Secretary/Treasurer

We currently have about \$745 in our account. Karen filed IRS Form 990-N and was contacted by a club on the east coast saying we had used their EIN number. This was apparently the first time this form had been filed for Timber Talkers. Karen was able to verify our EIN number as having originated with the TI Treasurer and the other club was going to contact the TI Treasurer to get their own number.

Stephen – Education

Stephen will file for our Distinguished Club award after he finishes the paperwork. Tom requested a list of people who have reached milestones.

The next Officer's meeting will be June 21, 2011 when we will turn over our roles to the incoming officers.

Meeting Adjourned at 1:45 PM.
