

Timber Talkers, Toastmasters International, Board Meeting
September 8th, 2009

In attendance: Leissa Geibert, John Goalby, Ryan Tracy, Stephen Hemminger,
Deanna Brannian, Eric Winger
Absent: Tom Cronkrite

The meeting began at 1:19 pm

Deanna Brannian will serve out the remainder of the term of VP of Education for Penny Cruz. Leissa Gebert has been working to get assistants for the VP of Education position, as its a job that's too big for one person.

Officer's Reports:

* VP Membership, Ryan Tracy -

The rush of new members has slowed down.

It would be good to track who brought new members so they can be properly acknowledged. Ryan will work on this.

Next meeting an announcement should be made about dues

* VP of PR, John Goalby -

Inquiries have slowed

Because new membership is up, there's a current hold on promoting the club

* President, Leissa Geibert -

Last meeting of the month there will be 3 ice breakers

* Seargent at ARM - Stephen Hemminger

Camera purchase, with accessories will cost about \$300.

We will need signed approvals to post the speech videos to YouTube.

There are a few more nametag edits to be done.

General Discussion:

General discussion about membership peaks and valleys

We need to encourage people to look in the back of the leadership book for the matrix of requirements to complete Leadership training.

Deanna will do some work on mentoring.

We'll need a public vote on the camera.

Sept 22nd is the speech contest.

The meeting adjourned at 1:45 pm
